Personal Statement: Experienced 3rd Assistant Director with credits in HETV Drama, Feature Film and Commercial. I pride myself on being able to adapt to how each 1st AD likes to work on the floor and can communicate effectively with departments on set and at base. I enjoy setting background and have also worked as a crowd 3rd AD. I have worked with children numerous times and have a good understanding of their working hours and how to complete timesheets. I am willing to travel and work abroad.
